

## Figures for the *Human Security Report 2012*

**Figure 5.7 Trends in State-Based Conflicts by Type, 1946–2009**

*Data Source: UCDP/PRIO.*

Extrastate—or anticolonial—conflicts ended by 1975, while interstate conflicts became rare in the 2000s. As a result of this shift, all conflicts in 2009 were intrastate, though nearly a quarter were internationalized.

*Note: Figure 5.7 is a “stacked graph,” meaning that the number of conflicts in each category is indicated by the depth of the band of colour. The top line shows the total number of conflicts of all types in each year.*
