

## Figures for the *Human Security Report 2012*

**Figure 6.2 New versus Recurring Intrastate Conflicts, 1950–2009**

*Data Source: UCDP/HSRP Dataset.*

Conflicts that recur after a short interruption of the fighting have become very frequent since the end of the Cold War. Yet, encouragingly, the number of new conflict onsets declined sharply after a peak in the 1990s.
