

## Figures for the *Human Security Report 2012*

**Figure 8.3 Campaigns of One-Sided Violence by Region, 1989–2009**

*Data Source: UCDP/HSRP Dataset.*

More attacks on civilians were recorded in sub-Saharan Africa than in any other region. However, no region was free of one-sided violence. Now peaceful, Europe saw campaigns well into the start of the new millennium.
